

DIGEST OF K. ZHUBANOV ARU “ACHIEVEMENTS AND EVENTS OF K. ZHUBANOV ARU IN 2025”

[DEPUTIES OF THE MAZHILIS MET WITH THE FACULTY MEMBERS OF ZHUBANOV UNIVERSITY.](#)

Zhyldyz Suleimenova and Kazybek Alishev, deputies of the Mazhilis of the Parliament of the Republic of Kazakhstan, visited Zhubanov University and met with the university's faculty. During the meeting, issues of family values, labor education of young people, and the role of upbringing in the education system were widely discussed.

[STUDENTS FROM THE AKTOBE CAMPUS OF HERIOT-WATT UNIVERSITY BEGIN STUDIES IN MALAYSIA AND EDINBURGH](#)

The first group of students from the Aktobe Campus of Heriot-Watt University, established on the initiative of the President of the Republic of Kazakhstan at the K. Zhubanov Aktobe Regional University, has begun studies at Heriot-Watt University campuses in Malaysia and Edinburgh. As part of the GoGlobal academic mobility programme, 16 second-year students from the Aktobe campus have travelled to the university's international campuses to continue their studies and gain international academic experience.

[AKTOBE CAMPUS OF HERIOT-WATT UNIVERSITY PARTICIPATES IN BETT 2025](#)

The Aktobe Campus of Heriot-Watt University is taking part in BETT 2025, one of the world's largest international exhibitions in the field of educational technologies. The exhibition took place at the ExCeL Exhibition Centre in London, United Kingdom. BETT (British Education Training and Technology Show) is one of the most prestigious global events in the education sector. Each year, it brings together around 30,000 professionals from more than 130 countries to explore the latest innovations and share best practices. The exhibition serves as a global platform uniting educational institutions, EdTech companies, universities, schools, and developers of educational solutions.

[ZHUBANOV UNIVERSITY AND HERIOT-WATT UNIVERSITY: A NEW OPPORTUNITIES AND PARTNERSHIP](#)

During a working visit to Edinburgh, the leadership of Zhubanov University met with the new Principal of Heriot-Watt University, Professor Stephen McLaughlin. During the meeting, the parties discussed upcoming joint plans, including student admissions for the 2025–2026 academic year, as well as issues related to sending students to overseas campuses under the academic mobility program.

[THE SCIENTIFIC LEGACY OF ASKAR ZHUBANOV: A NEW MULTIMEDIA CLASSROOM OPENED](#)

A modern multimedia classroom dedicated to Askar Kudaibergenovich Zhubanov — the founder of the National Corpus of the Kazakh Language, Doctor of Philology and Professor — was officially opened at the N. Baiganin Academic Building of Zhubanov University. Askar Zhubanov made a significant contribution to the development of linguistics as the founder of the National Corpus of the Kazakh Language. The corpus serves as an essential research tool for linguists, journalists, literary scholars, and specialists in the humanities. It plays an important role in linguistic research, foreign language teaching, as well as in the development of textbooks and educational programs.

[A STUDENT FROM THE UNIVERSITY OF ABERDEEN CHOOSES THE HERIOT-WATT CAMPUS IN AKTOBE](#)

Alisher Sabirov is a second-year student at Heriot-Watt University. Previously, he studied for three years at the University of Aberdeen in Scotland, but this semester he decided to transfer to the Heriot-Watt campus in Aktobe. Comparing Heriot-Watt University and the University of Aberdeen, Alisher noted that both institutions offer a high level of education. However, he emphasized that Heriot-Watt has a significantly stronger reputation in the oil and gas field, with a particular focus on practical, industry-oriented training.

DIGEST OF K. ZHUBANOV ARU “ACHIEVEMENTS AND EVENTS OF K. ZHUBANOV ARU IN 2025”

[ZHUBANOV UNIVERSITY LAUNCHES THE «SILVER UNIVERSITY» PROJECT](#)

Zhubanov University has officially launched the «Silver University» project with a ceremonial opening event. This year, 170 participants registered for the program, which is a significant increase compared to last year, when more than 90 senior citizens completed free courses in various fields. The project aims to improve the quality of life of older adults by providing them with new learning opportunities and supporting active lifelong education.

[ZHUBANOV UNIVERSITY STUDENTS PRESENT TOP PROJECTS AT THE NATIONAL FESTIVAL](#)

As part of the Year of Working Professions announced by the Head of State, the largest event in the field of technical and vocational education — «the City of Working Professions festival» — was held in Astana. The festival made a significant contribution to the development of vocational education and industry in Kazakhstan, creating new opportunities for young professionals. At the national festival, the Oil Angels team, consisting of students from the Faculty of Engineering of K. Zhubanov Aktobe Regional University, achieved outstanding results and won first place.
